

Optimal Mitigation and Advanced Diagnostics Workshop

March 19-20, 2026

Denver, Colorado

Cost: \$500 **\$250 for CO LIRMA Contractors!**

Conducted by **Kansas State University Radon Courses**
NRPP KSU-228 | 16 CE hours

Kansas State University

LOCATION

CO Dept. of Public Health & Environment

Campus Building B

700 South Ash St. | Denver, CO 80246

See page 4 for parking map

COURSE TIME

8:00 a.m. - 5:00 p.m. Thursday-Friday

COURSE DESCRIPTION

This highly-interactive course is designed to help radon mitigation professionals develop and strengthen diagnostic techniques as well as build confidence to overcome barriers for successful radon reduction. We will examine case studies and technical aspects of succeeding in challenging diagnostic situations. In addition, hands-on activities demonstrate key airflow and pressure measurements in mitigation and fan selection.

MEET YOUR INSTRUCTORS

BRUCE SNEAD

*KSU Engineering Extension,
Emeritus Director*

Bruce is an instructor and former Director of Engineering Extension at KSU. Bruce has extensive experience in building science including energy performance. He developed the first workshops based on EPA's Tools for Schools IAQ Guide and has conducted extensive radon public outreach activities.

CHAD ROBINSON

Building Performance Co.

Chad is a national (NRPP) and State of Kansas certified radon mitigation and measurement specialist and has personally designed and installed hundreds of radon mitigation systems. Chad is currently the Lead Radon Mitigation Trainer for Kansas State University's Engineering Extension.

JOSH KERBER

Minnesota Dept. of Health

Josh is a Research Scientist with the Minnesota Department of Health, with more than 20 years of experience in indoor air quality and radon. He supports radon contractors through mitigation assistance and system optimization and leads research, education, and outreach efforts at the state and national levels.

Agenda:

Day One

- 7:45 Coffee & Registration Check-in
8:15 Introductions and Participant Q&A
Cloud Chamber video
Overview and Background
MentiMeter Questions and Responses
Buildings as Open-Ended Systems
Which Fan Do I Use?
Sealing Case Study/Suction Point Case Study
- 12:00 Lunch**
- 1:00 Diagnostic Station Activities
Houses from Heck
Diagnostic Station Activities
- 5:00 Adjourn**

***“This class was above my expectations.
I came away with more
in this 2-day class than I have gained
in years of field work.***

***I cannot wait to take back what I
learned and implement it in my
business”***

Day Two

- 8:00 Coffee and Q&A from Day 1
Diagnostic Stations Activities
Fan Selection Examples
Diagnostic Stations Activities
Lunch | Making Radon Visible video
American Radon Mitigation videos
Diagnostic Station Activities
Advanced Diagnostics - Steps and Tools
MentiMeter Questions and Responses
Q&A Review
Evaluations/Adjourn

REGISTRATION CO LIRMA CONTRACTORS ONLY

To register online, visit:

https://kstate.qualtrics.com/jfe/form/SV_7VRCyPjfJ9afuKO

- This registration link is for Colorado LIRMA contractors **only**. After registering, you will receive your discounted link to pay for the course once we verify that the registered individual is a Colorado LIRMA Contractor.
- Please register by **March 12**. Registrations after that date will be charged a \$50 late fee
- Please pay by credit card or check ahead of time. Payment is expected by the program start date. \$50 late fee applies within 7 days of start date. Course fee includes course materials and refreshment breaks.
- **Questions?** Email us at radoncourse@ksu.edu

CANCELLATION/REFUND POLICY

- If you must cancel your registration, please do so as soon as possible. Substitutions are accepted. Registration fees, less a \$20 processing fee, will be refunded if notice is received in the conference registration office by 5 p.m. on **March 12**. To modify or cancel your registration, please send a written request to radoncourse@ksu.edu with the subject line "Radon Training." After that date, due to guarantees we must give, refunds are not available. Registered participants who do not cancel their registration in writing by the deadline are responsible for the total registration fee even if they do not attend and have not paid the registration fee. Engineering Extension may cancel or postpone this program because of insufficient enrollment or other unforeseen circumstances. If the program is cancelled or postponed, registration fees will be refunded but we cannot be held responsible for other costs, charges, or expenses, including cancellation/change charges assessed by airlines or travel agencies. Registration fees will not be cancelled and refunds will not be issued if the program is held but the registrant is unable to attend due to travel delays or cancellations caused by inclement weather, or due to other extraordinary circumstances beyond the control of Kansas State University.

SPECIAL ASSISTANCE

- A program participant who needs accommodations due to a disability or who has special dietary requirements should indicate services needed at the time of registration. If you have further questions please contact Stephanie Lehmkuhl at smlehmkuhl@ksu.edu. Early notification is requested, by **March 5**, to ensure that accommodations can be provided in a timely manner.

NOTICE OF NONDISCRIMINATION

- Kansas State University prohibits discrimination on the basis of race, color, ethnicity, national origin, sex (including sexual harassment and sexual violence), sexual orientation, gender identity, religion, age, ancestry, disability, genetic information, military status, or veteran status, in the University's programs and activities as required by applicable laws and regulations. The person designated with responsibility for coordination of compliance efforts and receipt of inquiries concerning nondiscrimination policies is the University's Title IX Coordinator: the Director of the Office of Institutional Equity, equity@k-state.edu, 103 Edwards Hall, Kansas State University, Manhattan, Kansas 66506-4801, 785-532-6220. The campus ADA Coordinator is the Director of Employee Relations, charlott@k-state.edu, who may be reached at 103 Edwards Hall, Kansas State University, Manhattan, Kansas 66506-4801, 785-532-6277.
