Course Information: <https://radoncourses.com/classroom/schedule#utah>

Registration links are under each course listing.

Descriptions:

Morning Course #1: Radon Resistant New Construction (\$80)

Course Details: 8 a.m. to noon Friday

This course is critical with the new green homes of today's builders. With this four (4) hour course, you will learn the basics of radon, radon decay and why it is a problem in homes. We will cover health risks for radon and most importantly the approved techniques for radon resistant new construction, which include both passive and active systems. This course will prepare you for the NRPP Advanced RRNC 2.0 Certificate Program through the RRNC 2.0 Advanced Certificate Program Workbook.

4 hours of CE – John Seidel, Instructor

Morning Course #2: Inspecting the Radon Mitigation System with Home Inspection (\$80)

Course Details: 8 a.m. to noon Friday

This course provides information about properly installed radon mitigation systems, along with an overview of radon, radon entry and behavior, standard radon mitigation methods, available system checklists from national programs and regulatory states, and lots of examples of what and what not to do.

4 hours of CE- Bruce Snead, Instructor

Afternoon Course: Radon Certification Criteria - What do you need to know to do your job? (\$80)

Course Details: 1 - 5 p.m. Friday

This four-hour course taps the experience of radon measurement and mitigation professionals to generate a list of essential requirements that employees and new practitioners need to achieve certification, hold certification and perform quality radon measurement and mitigation work. Through the process of group question and answer sessions and discussions, attendees will better understand their own and their employees value, potential and performance level. Participants will contribute individually leading small group sessions as well as contributing during instructor led group discussions

4 hours of CE -Bruce Snead, Instructor

Registration:

- To register online, find the course listing here <https://radoncourses.com/classroom/schedule#utah>
- Or, fax your completed registration form to 785-532-6952.
- To register by mail, send your completed form to:
KSU Radon Training
2323 Anderson Avenue
Suite 300
Manhattan, KS 66502

Registration Fees:

Morning Course #1: RRNC	\$80
Morning Course #2: Inspection the Mitigation System	\$80
Afternoon Course: Radon Certification Criteria	\$80

Payment:

Payment is expected by the program start date. Course fee includes materials and refreshment breaks. Lunch is on your own.

Cancellation/Refund Policy:

If you must cancel your registration, please do so as soon as possible. Substitutions are accepted. Registration fees, less a \$20 processing fee, will be refunded if notice is received by Engineering Extension office by 5 p.m. on **Thursday April 12** to modify or cancel your registration, please send a written request to radoncourse@ksu.edu with the subject line "Radon Training." After that date, due to guarantees we must give, refunds are not available. Registered participants who do not cancel their registration in writing by the deadline are responsible for the total registration fee even if they do not attend and have not paid the registration fee.

Engineering Extension at Kansas State University may cancel or postpone this program because of insufficient enrollment or other unforeseen circumstances. If the program is canceled or postponed, registration fees will be refunded but we cannot be held responsible for other costs, charges, or expenses, including cancellation/change charges assessed by airlines or travel agencies. Registration fees will not be cancelled and refunds will not be issued if the program is held but the registrant is unable to attend due to travel delays or cancellations caused by inclement weather, or due to other extraordinary circumstances beyond the control of Kansas State University.

Questions:

Call Stephanie Littrell at 833-723-6222 weekdays between 8 a.m. and 5 p.m. Central, or email radoncourse@ksu.edu

Please include the name of the event in the subject line of your e-mail.

For workshop content questions, call Bruce Snead at 785-532-4992.

Special Assistance:

A conference or noncredit program participant who needs accommodations due to a disability or who has special dietary requirements should indicate services needed at the time of registration. If you have further questions, please contact Stephanie Littrell at 833-723-6222. Notification **by Friday April 5** is requested to ensure that accommodations can be provided in a timely manner.

Notice of Nondiscrimination
