Combined Radon Measurement and Mitigation Course and Exams

February 4-8, 2019 | Clearfield, UT (Salt Lake City)

Conducted by MURC - at Kansas State University in serving the Western Regional Radon Training Center area.

Serves all NRPP Certification requirements.

For content questions call Bruce Snead at 785-532-4992.

Location:

Radon Be Gone Facility 172 N. Main, Clearfield, UT 84015 phone: 801-510-8705

Course Time: 8 a.m. to 5 p.m. Monday- Friday

(Measurement Exam – Tuesday evening at 5:30 p.m.) (Mitigation Exam – Friday at approximately 4 p.m.)

Course Information:

Online Exams - Bring Your Own Laptop or Tablet

All NRPP certification exams will be online only. All candidates taking an exam will be required to have their own device, a laptop or tablet, with the ability to access Wi-Fi. If you cannot bring a laptop or tablet, you will need to register with PSI testing centers instead of taking the exam(s) on site

Course Schedule

The Measurement course is Monday-Tuesday, with the Measurement exam Tuesday at 5:30 p.m. The Mitigation course begins at 8 a.m. on Wednesday and runs through the Mitigation exam Friday at approximately 4 p.m.

If you are interested only in mitigation and have not already taken a measurement course, you must attend all week to properly prepare for the mitigation exam.

If you have already taken a measurement course you can attend the mitigation course from Wednesday thru Friday and take the exam on Friday evening.

Accommodations nearby- arrange your own accommodations

Payment:

Payment is expected by the program start date. Course fee includes study materials, and refreshment breaks. Lunch is on your own.

After payment and within 2 weeks of the class you will receive an email with study recommendations.

Cancellation/Refund Policy:

If you must cancel your registration, please do so as soon as possible. Substitutions are accepted. Registration fees, less a \$20 processing fee, will be refunded if notice is received by Engineering Extension office by 5 p.m. on **Monday, January 28** to modify or cancel your registration, please send a written request to radoncourse@ksu.edu with the subject line "Radon Training." After that date, due to guarantees we must give, refunds are not available. Registered participants who do not cancel their registration in writing by the deadline are responsible for the total registration fee even if they do not attend and have not paid the registration fee.

Engineering Extension at Kansas State University may cancel or postpone this program because of insufficient enrollment or other unforeseen circumstances. If the program is canceled or postponed, registration fees will be refunded but we cannot be held responsible for other costs, charges, or expenses, including cancellation/change charges assessed by airlines or travel agencies. Registration fees will not be cancelled and refunds will not be issued if the program is held but the registrant is unable to attend due to travel delays or cancellations caused by inclement weather, or due to other extraordinary circumstances beyond the control of Kansas State University.

Questions:

Call Stephanie Littrell at 833-723-6222 weekdays between 8 a.m. and 5 p.m. Central, or email radoncourse@ksu.edu Please include the name of the event in the subject line of your e-mail.

For workshop content questions, call Bruce Snead at 785-532-4992.

Special Assistance:

A conference or noncredit program participant who needs accommodations due to a disability or who has special dietary requirements should indicate services needed at the time of registration. If you have further questions, please contact Stephanie Littrell at 833-723-6222. Notification **by Monday, January 28** is requested to ensure that accommodations can be provided in a timely manner.

Notice of Nondiscrimination

Kansas State University prohibits discrimination on the basis of race, color, ethnicity, national origin, sex (including sexual harassment and sexual violence), sexual orientation, gender identity, religion, age, ancestry, disability, genetic information, military status, or veteran status, in the University's programs and activities as required by applicable laws and regulations.
