Course and Exam Information:

Thirty-six hours, for new Iowa radon professionals. This four-and-a-half-day course covers the same content as the non-Iowa radon mitigation course. In addition, this course includes a day in the field mitigating a home, and a half-day covering Iowa-specific information including state licensing. (Note: the Measurement Basics course is a prerequisite for this course.)

Exams are only provided online at the course -- Bring Your Own Laptop or Tablet

All candidates taking an exam will be required to have their own device, a laptop or tablet, with the ability to access Wi-Fi. If you cannot bring a laptop or tablet, you will need to register with PSI testing centers instead of taking the exam on site.
